

# Achieving Sustainability: What does this mean for your organisation?

A conference for Norfolk's Voluntary, Community and Social Enterprise (VCSE) sector  
At The Space, Norwich

**7<sup>th</sup> November 2018**

This year's VCSE conference focuses on how VCSE sector organisations and the sector itself can achieve sustainability. In 2017 our research identified that 23% of Norfolk's VCSE organisations are not confident or don't know they will be operational in 3 years time, an increase from 19% in 2015.

## Key note speakers:

- **Chris Starkie** (Chief Executive at the New Anglia Local Enterprise Partnership (LEP))
- **Tim Harrison** (Director of nfpSynergy)
- **Iona Joy** (Head of Charities Team at New Philanthropy Capital (NPC))

## Workshops:

- **Sustainable Funding**
- **Leading your organisation to a sustainable future**
- **Building a sustainable workforce**
- **Developing a sustainable volunteer base**

## Costs for delegates:

- First place free for members of the Voluntary Sector Forum, Community Action Norfolk, Momentum (Norfolk) or Voluntary Norfolk.
- £20 per additional place for members of the above.
- £20 per place for VCSE organisations not members of the above.
- £50 per non VCSE organisation or public sector
