*Which thematic forums should have a seat at the Assembly Board and why?*

*Do we need the Chairs of these forums or could any member represent?*

# Aspects to complete prior to July 2022

Prior to Lead appointments – <b>Pre April 22</b>	Prior to Lead appointments – <b>April to June 2022</b>	Wait for Lead appointments to shape <b>Post July 2022 (in line with ICS timelines)</b>
<p><b>Agree funding available</b> for Leads post and associated administrative support (both at a local level and for all 5)</p>	<p><b>Job role &amp; appointment process</b> for the Leads (12mth term)</p>	<p><b>ToR for the Networks</b></p>
<p>Work with infrastructure colleagues to draw down investment and identify a methodology for disseminating to sector</p>	<p><b>Support local sector readiness</b>– Clarity of purpose, vision and ‘benefits’ of the networks to be shared amongst local VCSE partners. Comms required to win hearts and minds.</p>	<p><b>How will the Network operate to support wide engagement?</b> - How can small orgs engage? Innovate methods to support engagement.</p>
<p>Identify core principles and define the role expectations and recruitment process</p>		<p>Funding available to support the wider activities of the Network to ensure <b>representation</b>, eg tech tools to support wide engagement</p>
<p><i>Convene a small working group to support these pre April 22 actions.</i></p>		<p><b>Evaluation approach</b> – agree how we will demonstrate impact of the networks</p>
